Dear Gail

I wanted to take the opportunity to thank you for the recent CAD training you undertook here at Condor House.

It is hugely beneficial for us as a company to have onsite training and we were extremely grateful that you were able to travel to us.

The training itself was excellent. Not only was it tailored exactly to our needs, but it was informative, interesting and you made the whole learning experience fun. You have saved us countless hours of work in the tips and tricks you showed us, for which we are in your debt!

I would have no hesitation whatsoever in recommending you. I wish you every success with your business and I will certainly pass on your details to anyone who asks me about CAD training.

Wishing you a very Happy Christmas.

Yours sincerely
